PEDIATRIC SEXUAL ASSAULT EXAMINER TRAININGS

Registered nurses, advanced practice nurses, physicians, and physician assistants are invited to attend this five-day, classroom-based sexual assault examiner (SAE) training. Participants will learn the elements of conducting comprehensive pediatric medical forensic examinations in cases involving sexual assault. This 40 hour classroom-based course will cover topics including:

- Trauma Informed Care
- Dynamics of Pediatric Sexual Assault
- The Medical Forensic Evaluation
- Medical Management
- Program/Operational Issues
- Patient-Centered Coordinated Team Approach
- The Justice System and Testimony
- Vicarious Trauma and Self Care

Registration is free to health care providers from IHS, Tribal, and Urban Indian health care facilities. Health care providers from referral facilities that serve American Indian or Alaska Native victims of sexual assault are also eligible to attend at no cost. Materials will be provided. Meals are not provided.

To register or get more information, please visit www.tribalforensichealthcare.org

Dates & Locations:

- September 14-18, 2015 in Anchorage, AK
- October 5-9, 2015 in Nashville, TN
- December 14-18, 2015 in Albuquerque, NM
